

THE DOCUMENT OF HOW TO START A SOCIETY

1.

For starting a new society within AEGEE-Groningen you need 4 enthusiastic members!

2.

The society founders need to fill in an founding form. This document includes the date of foundation, the minimum and maximum amount of members, possibly the purpose, the rules and the number of open activities.

3.

The founders of the society need to sign the founding form together with the President and Secretary of the Board.

4.

After signing the form, the society presents itself at the next GMA for ratification. The society presents the information as specified in the founding form and introduces their founding activity.

5.

A society must organize a founding activity. This is accessible to all members of AEGEE-Groningen and can take place both before and a maximum of 2 months after the GMA at which the society is ratified.

**Request a founding form by contacting
the Board!**

other information you need to know about a society:

- A society is part of the association and should behave according to the guidelines of the association. An association is therefore also committed to achieving the objectives of the association to realise.
- The society has a chairperson, who is the point of contact for the Board of AEGEE-Groningen.
- Every society organizes an activity for the association at least once per academic year accessible for all members of AEGEE-Groningen. This also includes the founding activity.

members

All members of the society are members or alumni of AEGEE-Groningen.

The chairman of the society is responsible for keeping a membership administration and keeping it up to date. The composition of a society must be known to the Board.

An association must grow to **6 or more** members within six months of its founding.

Every society takes in at least **one new member** per academic year. A society may decide to vote on the inclusion of new members in the membership administration.

Request a founding form by contacting the Board!
